

OCCUPY EUGENE

Safety Guidelines

(Consented upon 10/18/2011)

Acting in solidarity with the Occupy Movement, we pledge to recognize our responsibility to our community, which means occasionally putting personal freedoms second for the safety and well-being of all.

- We are a weapons-free zone.
- We are nonviolent and we will not tolerate verbally aggressive or physically violent behavior, including unwanted touching.
- We pledge to resolve any conflicts that arise in a creative and nonviolent manner.
- In communal areas, no recreational drug or alcohol use. We recognize that a safe space is needed for card-carrying medical marijuana patients.
- We respect the rights and privacy of our fellow occupiers and our neighbors. We will not create unnecessary disturbances.
- Degrading ethnic, racist, classist, sexist, or homophobic remarks are not acceptable.
- We cannot permit open flames or other hazardous activities. We agree to direct all cigarette smoking to [a designated location] and will provide rain shelter for those who wish to smoke.
- We encourage everyone to follow health and sanitary recommendations throughout camp.
